INTRODUCTION 1

CHAPTER 1. CHOOSING TO BECOME A TEACHER IS A TELLING VOTE FOR OPTIMISM 5

Five Principles of Deliberate Optimism for Educators 6

1. Before acting or *reacting*, gather as much information from as many varied sources as possible. 6
2. Determine what is beyond your control and strategize how to minimize its impact on your life. 8
3. Establish what you can control and seek tools and strategies to help you maximize your power. 12
4. Actively *do* something positive toward your goal. 13
5. Take ownership of your plan and acknowledge responsibility for your choices. 14
