

## Reflective Activity: Positive and Negative Interactions With Parents

Consider a time when you've had a positive interaction with a parent, as well as a time when you've had a negative interaction with a parent. Reflect on the questions below.

	Positive Interaction	Negative Interaction
What was your state of regulation?		
What was the state of regulation for the parents?		
What was the outcome of the meeting?		
How was the teacher-parent dyad established?
