Evidence-Based

# SCREENING TOOLS

1

Systematic Screening for Behavior Disorders (SSBD) from Walker and Severson, 1992

2

Behavioral & Emotional Screening System (BASC-3/BESS) from Kamphaus and Reynolds, 2007

3

Student Risk Screening Scale from Drummond, 1994

4

Strengths and Difficulties Questionnaire from Goodman, 2001

5

Social Skills Improvement System: Performance Screening Guide from Gresham and Elliott, 2008

This list is neither an endorsement nor designed to be comprehensive. It is designed to provide you with a starting point if you and your principal are interested in screening for behavioral difficulties just like you screen for reading difficulties.

The evidence supporting screening systems to prevent problems is incredibly strong. These programs can start you down the path to meaningful student (and teacher) support.
