Planning for Five “Key Strategies” for Formative Assessment

Instructions: Use this tool to plan how you will implement the five key strategies (Wiliam, 2007) for effective formative assessment. Consider specific teacher practices within a lesson and within a unit or topic for each key strategy.

Key Strategies	Teacher Practices	
Clarifying, sharing, and understanding goals for learning and criteria for success with learners	Within a lesson	Within a unit or topic
Engineering effective classroom discussions, questions, activities, and tasks that elicit evidence of student learning	Within a lesson	Within a unit or topic
Providing feedback that moves learning forward	Within a lesson	Within a unit or topic
Activating students as owners of their own learning	Within a lesson	Within a unit or topic
Activating students as resources for one another	Within a lesson	Within a unit or topic
