

7.3 Planning Task Implementation

Instructions: Use this tool first to anticipate students' thinking. Then, use the tool as a data collection tool to record student work as it connects to teacher questions, moves, and practices.

<i>Task</i>	
<i>Launching the Task</i>	
Teacher Statements/Questions	Student Statements/Questions
<i>Facilitating the Task</i>	
Teacher Statements/Questions	Student Statements/Questions
<i>Sharing/Presenting Task Solutions</i>
