

Engaging Students for Success Through Purposeful Design

“As students interact with each other and their teachers, their thinking becomes evident. It is public and available for others to respond to. . . . In other words, discussion and dialogue provide students and their teachers with evidence of cognitive engagement, and of learning.”

Creating Learning Environments Where Students Thrive

Douglas Fisher, Nancy Frey, Russell J. Quaglia, Dominique Smith,
Lisa L. Lande

Every teacher wants engaged students. No student wants to be bored. So why isn't every classroom teeming with discussion and activity centered on the day's learning expectations?

Engagement by Design gives you a framework for making daily improvements in engaging your students, highlighting opportunities that offer the greatest benefit in the least amount of time. You'll learn how focusing on relationships, clarity, and challenge can make all the difference in forging a real connection with students.

Engagement by Design puts you in control of managing your classroom's success and increasing student learning, one motivated student at a time.
