What They Mean and How to Teach Them

Jim Burke, Leslie Blauman, Sharon Taberski

These new versions of the *Common Core Companions* provide an index for all states implementing state-specific ELA standards. This index allows you to see in an instant which of your standards are the same as CCSS, which differ and how—and which page number to turn to for standards-based teaching ideas.

These great go-to guides help teachers implement the standards, translating each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day “what you do.”
