

Building Collaborative Student-Teacher Relationships

“This book is extremely well written and provides practical tips for teachers hoping to transform learning in their classrooms to ensure that all students learn at high levels. The tools and resources in this book--combined with Westman’s expert insights--provide a roadmap for readers to better meet the needs of all students in our schools.”

Instructional & Leadership Coach**

Student-Driven Differentiation

8 Steps to Harmonize Learning in the Classroom

Lisa Westman

Full of just-in-time, step-by-step guidance, this book shows you how to incorporate student voice and choice in the process of planning for student-driven differentiation. This unique approach is based on building communication between student and teacher as a precursor to student growth. Organized into three parts for quick reference, this book

- Identifies the criteria for positive teacher-student relationships
- Examines four areas for differentiated learning – content, process, product, environment
- Provides unique examples and engaging vignettes throughout, including a fun project inspired by Shark Tank!
