

Your blueprint for empowering students through personalized learning

The Blended Learning Blueprint for Elementary Teachers

Jayme Linton

Designed to help K-5 teachers develop and carry out a plan for effective instruction in blended environments, this resource identifies key competencies and strategies for development, culminating in a personalized implementation plan. Readers will

- Take an in-depth look at the iNACOL Blended Learning Teacher Competency Framework.
- Develop a personalized blueprint for designing and facilitating blended learning in your classrooms.
- Tailor your plan when it comes to maximizing instructional time, personalizing learning, empowering students, pursuing professional learning, and more.
- Explore specific strategies and examples of blended learning in elementary classrooms, and reflect on your own plans.

Making the shift to blended learning requires intentional planning and support. This workbook will guide you through the process of developing an actionable plan for blended learning in your classroom.
