## What Are Your Learning Strengths?

Use a highlighter to mark all the statements that are TRUE for you!

 <b>Verbal/Linguistic</b>	 <b>Logical/Mathematical</b>
<ul style="list-style-type: none"> <li>• I like telling stories and jokes.</li> <li>• I like word games like Scrabble.</li> <li>• I can explain my math in writing.</li> <li>• I like learning math vocabulary and use it correctly.</li> <li>• If I have to memorize something, I make up a rhyme or saying to help me.</li> <li>• If something breaks, I read the directions.</li> </ul> <p>Total _____</p>	<ul style="list-style-type: none"> <li>• I really enjoy math.</li> <li>• I like logic puzzles and brainteasers.</li> <li>• I like to find out how things work.</li> <li>• I love playing checkers or chess.</li> <li>• I like to put things in order.</li> <li>• If something breaks, I look at the pieces and try to figure out how they work.</li> </ul> <p>Total _____</p>

 <b>Visual/Spatial</b>	 <b>Bodily/Kinesthetic</b>
<ul style="list-style-type: none"> <li>• My favorite problem solving strategy is to draw the diagram.</li> <li>• I daydream a lot.</li> <li>• I like to imagine word problems in my head.</li> <li>• In a math book, I like to look at the pictures or graphs rather than reading the words.</li> <li>• If I have to remember something, I draw a picture to help me.</li> <li>• If something breaks, I study a picture of it to help me.</li> </ul> <p>Total _____</p>	<ul style="list-style-type: none"> <li>• My favorite problem solving strategy is to use tools or manipulatives.</li> <li>• When I look at things, I like to touch them.</li> <li>• I move my body a lot when I'm explaining a problem.</li> <li>• I like to tap my fingers or play with my pencil during a math lesson.</li> <li>• I.</li> <li>• If something breaks, I play with the pieces to try to fit them together.</li> </ul> <p>Total _____</p>

## Musical

- My favorite problem solving strategy is to think about numbers in beats or rhythm.
- I like to listen to music and to sing.
- I like to have music playing when I'm doing my math homework.
- I play a musical instrument well.
- If I have to memorize something, I make up a song or rhyme to remember it.
- If something breaks, I tap my fingers to a beat while I figure it out.

Total \_\_\_\_\_

## Naturalist

- My favorite problem solving strategy would be to apply numbers to the outdoors.
- I love to go walking in the woods and looking at trees and flowers.
- I like to do my math homework outside.
- If I have to memorize something, it might help me to relate it to something outside.
- If something breaks, I look around me for see what I can find to fix the problem.

Total \_\_\_\_\_

## Interpersonal

- I get along well with others.
- I like working with others in groups to learn math.
- I like helping teach math to other students.
- Friends come to me to ask my advice in learning math.
- I have many friends.
- If something breaks, I try to find someone who can help me.

Total \_\_\_\_\_

## Intrapersonal

- I like my alone time.
- I like to work alone without anyone bothering me.
- I am willing to share my answers but prefer not to teach others.
- I like to think independently in math and often come up with my own solutions.
- I have one or two good friends.
- If something breaks, I like to fix things by myself.
