

Figure 7.8d Student Self-Reflection Following Formal Assessment

Please review and reflect on your assessment and then fill in the following information.		
I did well and know and understand thoroughly:	I did okay, but do not thoroughly know or understand:	I do not know or understand:
I still need to work on:		To do so I will:
I worked carefully and checked my work and answers on these problems:	I worked carefully OR checked my answer on these problems:	I didn't really check anything, I just did these problems:
To be a better test taker next time, I will:
