## Text Structures from Fairy Tales

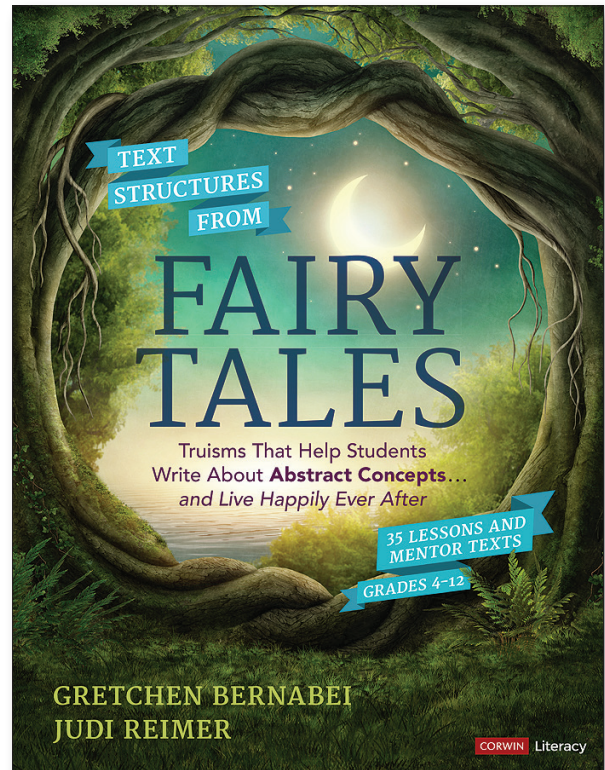

### Truisms That Help Students Write About Abstract Concepts... and live Happily Ever After

Gretchen Bernabei, Judi Reimer

Centered on classic fairy tales, each lesson includes a writing prompt accompanied by a planning framework. Students write a truism, select or create a text structure, and write a kernel essay that serves as scaffolding for a detailed rhetorical piece and start to move from depending on teacher guidance to becoming autonomous analytical writers. This book empowers you to

- Use each fairy tale lesson for reading, writing, or both
- Cluster lessons around a particular literacy concept or use each as a standalone lesson
- Pair fairy tales thematically with other readings
- Customize text structure options to meet your students' needs
- Encourage students to create their own text structures
- Teach students simple ways to expand their ideas into detailed, rich essays

Put *Text Structures From Fairy Tales* to work in your classroom and soon your students will be writing happily ever after.
