

FIGURE 2.12 Study Cube Recall Strategy Card for Elementary Students

Study Cube Recall Strategy

1. Place one word or symbol on each side of the cube.
2. Toss the cube and answer the question, define the word, or name the symbol located on the top of the cube. Continue tossing the cube until you have answered all of the items on the cube.
3. Place a Post-it arrow on any item you have trouble with. The arrow will serve as a reminder of the information that you need to study more.
