Determining Some
Priorities

- What are the tasks that I need to complete first? When is the due date for each of these tasks?
- What are the tasks that I need to complete second? When is the due date for each of these tasks?
- What are the tasks that I need to complete last? When is the due date for each of these tasks?
- Do the assignment due dates match how I have prioritized the tasks? If not, what do I need to change?
