Empowering Visible CLARITY

John Hattie · Lyn Sharratt

Listening—the process of actively receiving, constructing meaning from, and responding to spoken or non-verbal messages—is essential for teaching and learning. How can we check for understanding and ensure that students' contributions are heard and understood by peers and teachers?

In *Learning to Listen and Listening to Learn*, bestselling authors and internationally respected educators John Hattie and Lyn Sharratt demonstrate how listening can foster positive relationships, trust, and understanding while enhancing student learning. With a wealth of research to guide educators through the process of infusing active, sensitive, and empathetic listening skills into the classroom and school culture, this important guide includes:

- The Visible CLARITY 5-Ear Listening Model
- Reflection prompts and mantras to help reinforce key learnings from each chapter
- Guidance on how to assess and enhance leader, teacher, and student listening skills
