

Teach You to Use The Powerful Task Rubric for Designing Student

“Inviting reflection and personal response at strategic points, the authors skillfully integrate video and other technology with written text to create a book that exhibits the design principles they propose. *Powerful Task Design* is a must-read for individual educators and a practical guide for PLCs.”

—from Jackie A. Walsh, Author and Consultant

Powerful Task Design

Rigorous and Engaging Tasks to Level Up Instruction

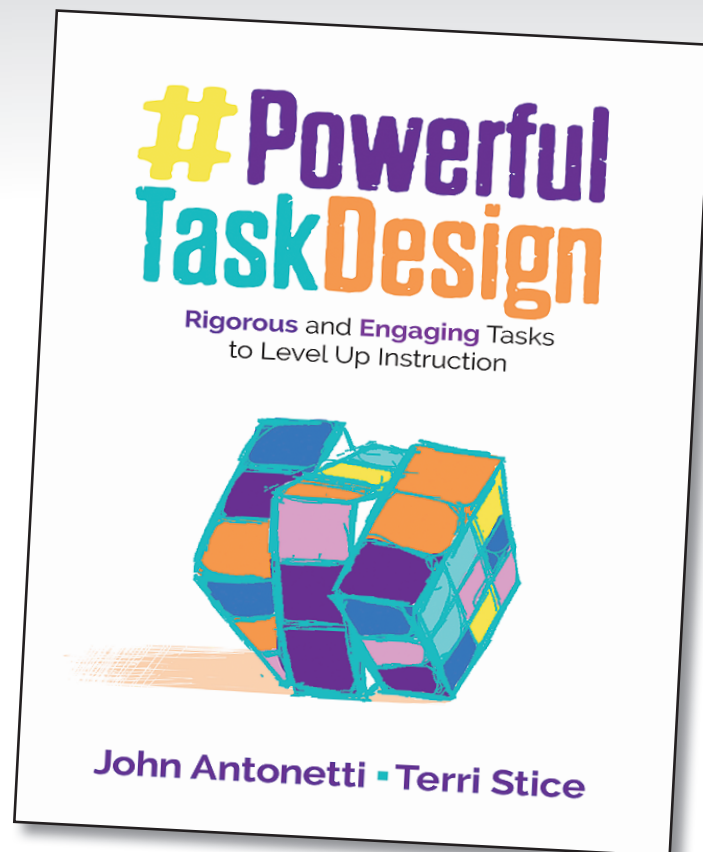

John Antonetti, Terri Stice

Applicable for educators across all disciplines and grade levels, this book will teach you to use the Powerful Task Rubric for Designing Student Work to analyze, design, and refine cognitively engaging tasks of learning. This guide will help you

- Use the Powerful Task Rubric, and delve into the tool's design components.
- Complete interactive tasks, and understand first-hand how technology is a critical design component in student task design.
- Identify opportunities for creating powerful tasks in the areas of engagement, academic strategies, questions, and cognition.

This must-have resource brings together the research and strategies educators need to design engaging, powerful learning tasks.
