

## NOTE TO SELF

*How do you check for understanding in your distance learning classes? Below, add other methods you are using or intend to use to check for understanding formatively and summatively.*

|  | USEFUL<br>AND<br>CURRENTLY<br>USING IT | USEFUL<br>AND<br>HAVEN'T<br>USED IT<br>YET | NOT<br>USEFUL<br>FOR MY<br>CLASS |
|--|--|--|----------------------------------|
| Virtual Exit Slips                       |  |  |                                  |
| Virtual Retellings                       |  |  |                                  |
| Polling and Audience Response<br>Methods |  |  |                                  |
| Practice Tests                           |  |  |                                  |
|  |  |  |                                  |
|  |  |  |                                  |
|  |  |  |                                  |
|  |  |  |                                  |
