ACTIVITY 3: OPINION LINES

<p>LESSON 13 What Is Color? 3-1</p> <p>An orange would no longer be an orange if it were blue.</p>	<p>LESSON 13 What Is Color? 3-2</p> <p>Some colors are more important than others.</p>	<p>LESSON 13 What Is Color? 3-3</p> <p>The world without color would be a very sad place.</p>
<p>LESSON 13 What Is Color? 3-4</p> <p>We all think and dream in color.</p>	<p>LESSON 13 What Is Color? 3-5</p> <p>The more color a food has, the better it tastes.</p>	<p>LESSON 13 What Is Color? 3-6</p> <p>We all see the same colors differently.</p>
<p>LESSON 13 What Is Color? 3-7</p> <p>Our thoughts about color are linked to the taste of foods.</p>	<p>LESSON 13 What Is Color? 3-8</p> <p>Some colors are aimed more at boys and some more at girls.</p>	<p>LESSON 13 What Is Color? 3-9</p> <p>Color doesn't really exist; we just imagine it.</p>

LESSON 13
What Is Color?
3-10

Color is very
important to how we
think about things.

LESSON 13
What Is Color?
3-11

Red is the best color
of all.

LESSON 13
What Is Color?
3-12

The world without
any color would be a
fairer place.
