

## Real and Nonsense Words

---

Teachers should randomly assign students a list of real words or nonsense words to memorize for a set time limit. Students should be blinded to their treatment, so don't include the real words or nonsense words heading on the student handout. Have students turn their papers over and rewrite as many words as they can recall without looking.

lucky	leaf	salt	six
maple	car	who	when
part	ball	blue	nail
heir	used	a	light
the	man	say	as
wafer	fry	two	heat

tosso	poin	ertz	rok
cylcq	eyre	juu	xxcr
noir	gusr	vuea	muun
terr	cnux	t	aurip
sis	wai	wer	gr
yenwe	ver	hob	qokg
