

STEM Talent Portfolio Record Chart

Directions:

1. Complete the self-assessment for your talent-targeted task (the Talent Development Continuum Rubric and Reflection). Keep these documents in your Talent Portfolio.
2. On the chart, fill in the date and talent-targeted task. Record the rubric ratings for the talent aptitude(s): **E** (emerging), **P** (progressing), or **A** (advancing).
3. Periodic review: Looking at the talent aptitudes, where do you see growth? Where do you see a pattern of strengths?
