4	THE MINDFRAMES	99
	MINDFRAMES FOR STUDENTS	100
	Student Mindframe 1: Know your current level of understanding.	103
	Student Mindframe 2: Know where you are going and have the confidence to take on the challenge.	105
	Student Mindframe 3: Select tools to guide your learning.	107
	Student Mindframe 4: Seek feedback and recognize that errors are opportunities to learn.	110
	Student Mindframe 5: Monitor your progress and adjust your learning.	112
	Student Mindframe 6: Recognize your learning and teach others.	116
	THE 10 MINDFRAMES FOR FAMILIES	119
	Family Mindframe 1: I am an evaluator of my impact on my children's learning.	119
	Family Mindframe 2: I see the power of collaborating with others in parenting our children.	120
	Family Mindframe 3: I value what my child brings to the family and world.	121
	Family Mindframe 4: I understand the centrality of my child.	122
	Family Mindframe 5: I have appropriately high expectations.	123
	Family Mindframe 6: I listen, build trust, and know how to gradually release responsibility.	124
	Family Mindframe 7: I know the balancing act between developing autonomy, relatedness, and competence.	125

Family Mindframe 8: I appreciate the power of feedback and the place for praise as well as errors.	126
Family Mindframe 9: I know how to work with the school.	127
Family Mindframe 10: I am a parent, not a schoolteacher.	128
