## Cultivating Student Motivation Without Losing Your Own

Dave Stuart Jr.

This is a book about love. That is, the active, earnest, and intelligent pursuit of our neighbours' good. Teachers embody this kind of love; we seek and serve the wholeness of others.

At the center of this love lies Dave Stuart Jr.'s philosophy that every teacher of every subject area in our schools has the potential to enrich students' lives long-term through the power of student motivation. From art and physical education to science and social studies—schools can make good on their promise and this book will show you how. Join Stuart in this personable journey by tackling student motivation through

The Five Key Beliefs of credibility, value, effort, efficacy, and belonging.

Ten strategies for incorporating the Five Key Beliefs into everyday teaching

Common struggles for each strategy and how to overcome them
