Great Learners by Design

Principles and Practices to Supercharge Learners

**John Hattie, Timothy O'Leary, Kyle Hattie, Gregory Donoghue**

Written by renowned researchers and educators, *Great Learners by Design* advocates moving away from rote learning and teacher-centric classrooms. Instead, it promotes cultivating self-sufficient, strategic, and visible learners through effective learning strategies. This approach helps foster a learning environment where mistakes are seen not as embarrassments but as opportunities for growth. Inside, you'll discover

- New and traditional learning theories and how to implement them in the classroom

- 12 learning strategies and 13 learning principles that will transform your class and school into an organization dedicated to excellence

- How to use and integrate tools for measuring learning

With the goal of creating lifelong learners, *Great Learners by Design* offers an in-depth analysis of learning theories, practical classroom applications, and tools. It is a vital resource for enhancing students' skills and encouraging them to use optimal strategies to succeed both in the classroom and beyond.
