

SELF-ASSESSMENT

Before moving forward, consider the success criteria for this module. You will notice these statements have been revised from “We can” statements to “Can I?” questions. Using the traffic light scale, with red being not confident, yellow being somewhat confident, and green indicating very confident, how confident are you in your understanding of the foundations of scaffolding? You’ll also want to take note of evidence you have for your self-assessment.

SUCCESS CRITERIA	SELF-ASSESSMENT	EVIDENCE
Can I define what is meant by scaffolding?		
Can I identify the foundations of scaffolding?		
Can I apply scaffolding to a common task in our lives?		
Can I describe the reciprocal relationship involved in scaffolding?
