## Valentine's Day

So yesterday we took the writing benchmark and it was broken into two parts. <sup>(here)</sup> **There** was a multiple choice section and two essays. On the multiple choice section there were passages and they all had mistakes in them. While reading them, I wrote proofs if the words were wrong and I highlighted misspelled words. <sup>(here)</sup> **There** were questions that asked if **there** <sup>(here)</sup> needed to be semi-colons put in, and since I don't know where and how to use them, that confused me.

On the two essays, I did a kernel before to organize my essay. While writing them, I used dialogue, images, and AAAWUBBIS. However, I didn't use Ba-Da-Bings or pitchforks.
