

Foundational Element	Current Actions or Practices	Ideas I Have
<p>Foundational Element 1: For feedback to work, there must be an atmosphere of mutual trust and respect in the classroom.</p>		
<p>Foundational Element 2: For feedback to work, teaching and learning must be visible in the classroom.</p>		<p>Example: I need to be more consistent in sharing the daily learning intention.</p>
<p>Foundational Element 3: For feedback to work, there must be evidence to gather and analyze during the learning process.</p>	<p>Example: I have students write a summary of their learning in their interactive notebooks.</p>	
<p>Foundational Element 4: For feedback to work, learners must be authentically engaged in a rigorous and relevant task.</p>
