

NOTE TO SELF

How do you convey that you are trustworthy practically and emotionally?

	I DO THIS OFTEN.	I SOMETIMES DO THIS.	I RARELY, IF EVER, DO THIS.
PRACTICAL TRUST			
I arrive early to scheduled meetings.			
I keep track of my work obligations so I get them done.			
My completed work is timely and accurate.			
I take the time to demonstrate care for others.			
I convey my respect for others through my words and actions.			
The information I share with others is accurate.			
When I am wrong, I admit it to my team.			
I do not share gossip or tear down others who are not present.			
I volunteer to help whenever I am able.			
I explain myself so that my intentions are understood by others.			
I allow myself to be confidently vulnerable to others.			

Now analyze your practical and emotional trust behaviors. Which are areas of strength? What growth opportunities do you see?
