

# Working on the Work

## ANTICIPATION GUIDE

Are you ready to confront the data in front of you? For each of the statements that follow, mark true or false based on your current understanding. After reading about investigating impact, revisit your statements. Assess and consider the changes.

Before Reading		Change Statements	After Reading		Notes
True	False		True	False	
		1. Teachers can use the effect size tool to determine their impact.			
		2. The effect size allows teachers to determine a cause-and-effect relationship.			
		3. Building collective efficacy requires evidence of impact.			
		4. Success criteria help guide assessment efforts.			
		5. Informal walk-throughs are an effective and evidence-based way to determine impact.
