

Too

Proof:

too = so, also

Ex:

We were ^(so) too frightened!

We were happy, ^(also) too.

PRACTICE THE CONVERSATION:

A: Read the first sentence, please.

B: We were too frightened!

A: Great. How did you spell too?

B: T-o-o.

A: Oh no! That's not right.

B: Yes it is.

A: Prove it for me?

B: We were so frightened.

A: You're right! Can you read the second sentence now?

B: We were happy, too.

A: And how did you spell too?

B: T-o-o.

A: Sorry . . . that's not . . .

B: We were happy also.

A: You're right! It is t-o-o.
