

# PROTOCOL DESIGN TEMPLATE

Unit Focal Standard	
<p>What are children trying to learn? What will mastery of this focal standard look like and sound like?</p> <p><i>Establish long-term learning intention(s) and success criteria that embody the focal standard.</i></p>	
<p>When and where would we see evidence of mastery? What high-quality tasks do or could children engage in to show what they know?</p>	
<p>What formative evaluation format(s) will we use?</p> <p><i>Observation/monitoring chart, photos, videos, children's work, etc.</i></p>	
<p>When will we commit to implementing this common formative evaluation before beginning the unit of study? Where would it fit seamlessly into our instructional day?</p>	
<p>When will we meet to analyze this data before beginning the unit of study?</p>	
<p>When will we commit to implementing this common formative evaluation upon concluding the unit of study? Where would it fit seamlessly into our instructional day?</p>	
<p>When will we meet to analyze this data upon concluding the unit of study?</p>
