

Correlation Between Lexile Levels *and* Guided Reading Levels

at the Fluent Stage

Neither Lexile nor Fountas & Pinnell provide direct correlations between their leveling systems. Several companies and school systems have correlation charts online, but there is much variance among these.

I've created the chart below to show you approximate ranges you might consider.

LEXILE LEVELS	FOUNTAS & PINNELL GUIDED READING LEVELS	GRADE-LEVEL EQUIVALENTS
500s-800s	N-P	Grade 3
700s-900s	O-Q	Grades 3-4
800s-1000s	T-V	Grade 5
900s-1100s	W-Z	Grades 6-7
