

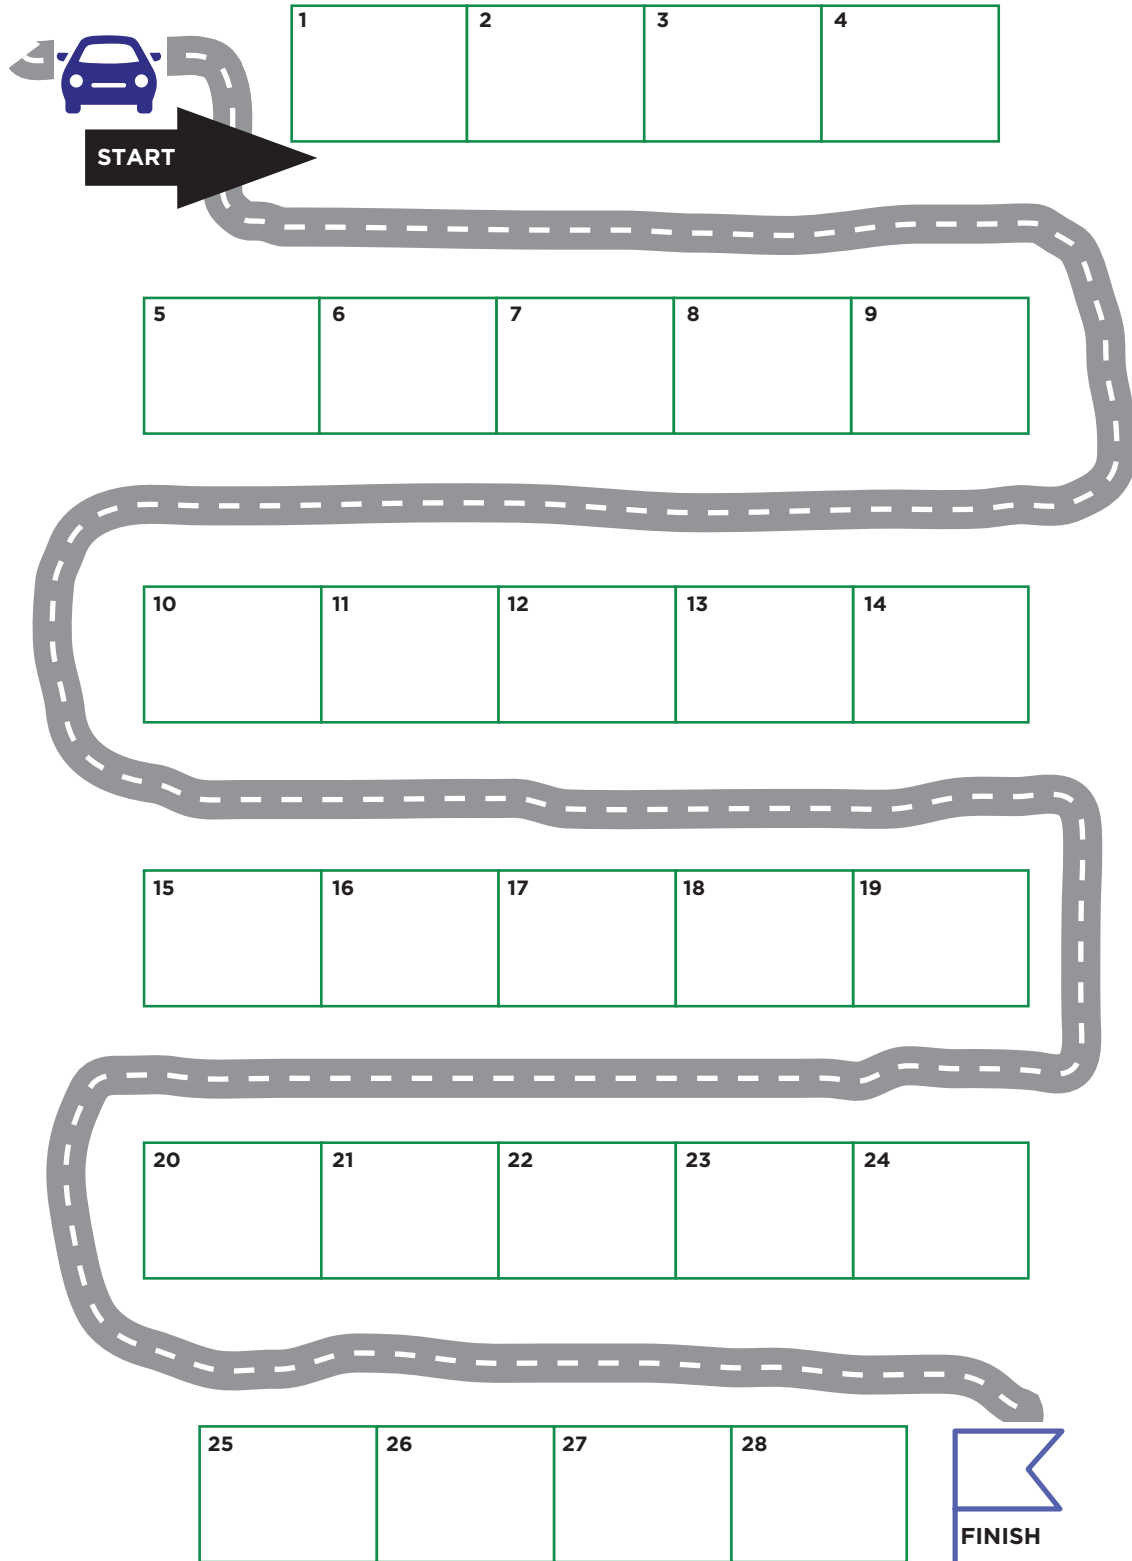

Figure 5.5 Reading Racetrack

The diagram shows a winding grey dashed line representing a racetrack. At the top left, a blue car icon is positioned at the start of the track, with a black arrow pointing right labeled "START". The track winds through five horizontal rows of boxes, each containing five numbered cells. The boxes are arranged in a zig-zag pattern: the first row is at the top, the second row is below and to the left, the third row is below and to the right, the fourth row is below and to the left, and the fifth row is at the bottom right. At the end of the track, there is a blue flag icon labeled "FINISH".
