

Two

Proof:

two = three

Ex:

(three)

Two people were singing.

PRACTICE THE CONVERSATION:

A: Will you please read the sentence?

B: *Two people were singing.*

A: Perfect! Wait . . . how did you spell *two*?

B: T-w-o.

A: Mmm, I don't think that's the right *too*.

B: Oh yes it is!

A: Can you prove it?

B: *Three people were singing.*

A: You're right! It's correct.
