

# REFLECTION

Let's review the success criteria from the opening of this module. Ask yourself: Can you do these things now? Write your reflections below.

<b>Can I describe the various roles that individuals play in restorative conferences?</b>	
<b>Can I identify ways in which I can participate in restorative conferences?</b>	
<b>Can I explain the ways in which accountability, consequences, and transformation can occur?</b>	
<b>Can I participate in re-entry conversations and actions?</b>
