## SELF-ASSESSMENT

Before moving forward, consider the success criteria for this module. You will notice these statements have been revised from "We can" statements to "Can I?" questions. Using the traffic light scale, with red being not confident, yellow being somewhat confident, and green indicating very confident, how confident are you in your ability to utilize knowledge of front-end scaffolds? You'll also want to take note of evidence you have for your self-assessment.

| SUCCESS CRITERIA | SELF-ASSESSMENT | EVIDENCE |
|---|---|---|
| Can I define the meaning and purposes of front-end scaffolds? | | |
| Can I identify common errors that occur when using front-end scaffolds? | | |
| Can I apply principles of universal design for learning to reduce the need for some front-end scaffolds? | | |
| Can I judiciously select and deliver vocabulary front-end scaffolds for texts? | | |
