

Working on the Work

CONNECT–EXTEND–CHALLENGE

Reflect on the change projects you have been a part of and complete the following exercise.

What did you discover in your reading in this module that connected to what you already knew about school change?

What did you learn about school change in the reading that extended your understanding with new information?

What did you take from your reading that challenged your thinking about school change?

What will you specifically take from your reading and use to strengthen your next school change initiative?
