

Its

Proof:

its = his

Ex:

The computer was broken,
(his)
but its monitor still worked
fine.

PRACTICE THE CONVERSATION:

- A:** Go ahead and read the sentence.
- B:** *The computer was broken, but its monitor still worked fine.*
- A:** Yes. But wait . . . how did you spell *its*?
- B:** I-t-s.
- A:** You mean *apostrophe s*?
- B:** No. No apostrophe.
- A:** I think you should put an apostrophe.
- B:** Not this time!
- A:** Can you prove that for me?
- B:** *The computer was broken but his monitor still worked fine.*
- A:** His monitor, its monitor, that's right. Perfect!
