

Potential Scaffold	Does It Meet EL Education Criteria?
<p>1. Placing students in homogeneous work groups to complete a collaborative task.</p>	
<p>2. Providing “hint cards” that students can use to get unstuck so that they get the gist of the information.</p>	
<p>3. Identifying vocabulary from a video clip that students struggled with and reviewing those terms following the experience.</p>	
<p>4. Providing a teacher think-aloud so that students can revise their work based on the examples provided.</p>	
<p>5. Providing students who struggled in the previous unit with modified versions of the text to read.</p>
