My First Day

My first day in class was nerve wracking cause you never know what's going to happen to you. You can lose your balance, fall on the stairs, run into a pole. Embarrassing stuff, you know? Like ^(our) **your** books can fall out of ^(our) **your** hand, or ^(our) **your** feet might feel sore and ^(our) **your** hand might feel numb. Or what if a piece of pencil lead flew into ^(our) **your** eye!

I kinda hate and like being new in school. I hate it cause you have no friends yet, and I like it cause almost everyone wants to know who you are. AND I really didn't want to come to JCC. I'm like: "I don't wanna go, what if . . ." What if was ALWAYS my excuse. Then I came and I love this school. There's so much I can say about this school. . . .

To be continued. . . .
