

April 9

Yesterday I was texting with Evan b/c I found a website with a bunch of hilarious shirts!

(With <sup>(him)</sup>**whom** was I texting? With Evan.) It's called Noise Bot something. Anyway so when

I saw this website, I thought about him. (About <sup>(him)</sup>**whom** was I thinking? About Evan.) There

were bunches of jokes that he would find funny. So I started texting them to him. (To

<sup>(him)</sup>**whom**? To him. Evan.) So I sent him a link to the website for him to look at it. (For <sup>(him)</sup>**whom**?

For Evan.) So he started texting the pictures to me too and I had a text joke war with him.

(With <sup>(him)</sup>**whom**? With Evan.)
