

Whom

Proof:

whom = him

Ex:

She said this to ^(him)whom?

PRACTICE THE CONVERSATION:

A: Will you please read the sentence?

B: *She said this to whom?*

A: Uh oh . . . wait . . . I think *whom* isn't right.

B: It's right.

A: Can you prove it for me?

B: *She said this to him?*

A: Ah! You're right. It's right
