

March 5

^(his) **Whose** book is that? That's his book. ^(his) **Whose** teacher is that? That's his teacher. My chum

^(his) chewed **whose** gum?

I don't know what to write about. Hmmm . . . I think I'll write a bunch of rhymes.

My frog stood on a log with a dog in the fog. That fat rat did not know how to spell cat even

^(his) though that rat was sitting on a mat that said "cat." **Whose** mat was it? It was the cat's.

Yo dog, I heard yo' and yo' dog like to yoyo. So I got yo' and yo' dog yoyos so yo' and yo' dog

^(his) can yoyo together. So **whose** yoyos are those?
