

August 19

WOW, the first journal entry, I hope it's good! Okay now I'm just staring off into space
cause I can't think of anything else to write about.

play? yes or no

(we are)

Well whatever you chose **we're** going to play anyway, but in order to play you must

(we are)

(we are)

sit in my seat. Then **we're** gonna start. **We're** starting in 3, 2, 1, go! yes or confirm.

Okay, I spy with my not-so-little eye something white and it has a lot of ink.

Found it yet? It's the Journal =D.

(we are)

(We're not gonna play this game again!)
