

# Than

Proof:

than = more than

Ex:

(more than)  
She is taller than I am.

## PRACTICE THE CONVERSATION:

**A:** Read the sentence, please.

**B:** *She is taller than I am.*

**A:** Did you mean *than*? Or *then*?

**B:** T-h-a-n, than.

**A:** Hmm. . . . I think that's the wrong word.

**B:** I don't think so.

**A:** Prove it for me?

**B:** *She is taller more than I am.*

**A:** Oh! It works. You're right.

**B:** It sounds funny that way though.

**A:** And that's why you use it only to listen.

**B:** So it's still right.

**A:** It sure is. Good job.
