

Except

Proof:

except = but

Ex:

(but)
Nobody is here except us.

PRACTICE THE CONVERSATION:

A: Will you please read the sentence?

B: *Nobody is here except us.*

A: How do you spell *except*?

B: E-x-c-e-p-t.

A: Hmm . . . I don't think so.

B: Yes! It's right.

A: Can you prove it?

B: *Nobody is here but us.*

A: Yes! That's right!
