My Dog Toby

Bad things he does
• Bites
• Chews shoes, clothes, socks
• Poops and pees
• Sheds fur
• Nails are too sharp
• Throws up sometimes

(he is)

He's a very bad dog but I love him to death. **He's** very small and big, but **I'm** just happy

(he is)

(I am)

(he is)

(did not)

he's my dog. It would be so boring if I **didn't** have him as a dog. "Name is Toby." He gets

(he is)

my clothes dirty by his shedding fur. **He's** so playful and his nails are very sharp, so my

dad clipped his nails.
