

April 10

Tonight the Spurs play Dallas. The **Spurs's** record is the best in the league, and their players are amazing. Their **players's** shots always fall and their **teammates's** passes are always crisp. **Spurs's** fans are the best. The **fans's** cheers radiate through the arena. The game tonight will be great. Dallas stinks. The Spurs are good and that's what makes the games always fun. Our staff and coaches are the best. Even our arena rocks. The other **arenas's** capacities are not as large as our San Antonio **Spurs's** AT&T Center. Spurs are the best, and that's all there is to it!
