

March 8

Today is Friday but it doesn't really feel like it. For dinner tonight our mom is

making ^(proper adjective) **Thai** curry. She makes it and it tastes good. Our family loves ^(proper adjective) **Asian** food.

We eat ^(proper adjective) **Vietnamese**, ^(proper adjective) **Chinese**, ^(proper adjective) **Korean**, ^(proper adjective) **Thai**, **Indian**, and **Japanese** foods. I think

most people would say they're all similar but I think there's a distinct taste and

flavor to all of them as they all use a unique blend of spices.
