

August 30

One time when I was eight, my mom had bought a plant that had peppers. I didn't know what pepper it was but I thought to myself, wouldn't it be cool to try it? So I went to my mom and said, "Mom, I'd like to try one of those peppers."

September 3

My mom said, "Why not?"

"If you try one with me then I will try one," I said.

"Fine," my mom said with a sigh.

So we both took one of the tiny peppers and put it in our mouths. Both me and my mom's faces turned as red as a strawberry!   **The peppers were hotter than the sun! My mouth was about to explode!**

 **"I need water! Water!"** I yelled.

I got water but that did not work at all. So I tried getting some more water but that didn't work.

   **Ring, ring! Ring, ring! Oh, no!** The phone had just rung.

 **"Milk! I need milk!"** I screamed. I juggled down the milk so fast I thought that I was faster than a cheetah!!! That did the trick. I think back and say to myself, why did I eat that pepper?  **It's crazy**

 **how hot that pepper was!**
