## ADMINISTRATOR (PRINCIPAL) PLEDGE

- ✓ I will encourage all students to do their best in school. I will encourage each student to work hard, develop his or her talents, meet high expectations, and cooperate with teachers, the school staff, and other students.
- ✓ I will come to school each day with a positive attitude about the faculty, students, and their families and communities. I also will help the faculty, families, and students understand, contribute to, and follow the school's attendance and other policies.
- ✓ I will communicate clearly and frequently so that all families understand the school's programs and their children's progress. I will encourage families to contact teachers and administrators with questions and ideas about their children and school programs. I also will support and assist teachers to conduct at least one parent-teacher-student conference with each family each year.
- ✓ I will assist teachers, families, and students to understand and discuss homework policies, report card grades, academic goals, and other activities that encourage family involvement in student learning.
- ✓ I will arrange ways for parents and other volunteers to use their time and talents to assist students and the school. I also will encourage families to attend events, assemblies, and celebrations at school.
- ✓ I will help establish a team of teachers, parents, and administrators at this school to strengthen and sustain a comprehensive program of school, family, and community partnerships to achieve goals for student success.
